

WEDNESDAYS THIS SPRING

Last chance, for this school year, to Yo-Yo with the best.

Now in our 2nd set of classes at Byrom, Yo-Yo is bigger than ever. Yo-Yoers Colin and Greg are excited to continue teaching at their elem. alma mater.

Round 2 will be better than ever for leveling up!

Classes start on April 14th after-school and last until May 12th.

For the spring, 1st grade – 5th grade students are welcome to sign up.

We're happy to bring on additional professionals to maintain appropriate pro/student ratio. We don't want to turn anyone away. Scholarships available.

Sign up for Session 1 – 4/14,4/21,4/28,5/05,5/12 – 2:30-3:30 - \$50
Required (until red string) Yo-Yo - \$10

Note: To keep costs down for returning students, required yo-yos are sold separately.

Note: Yo-Yo University is a progressive class. Students work at their own pace. Students who have already been apart of Yo-Yo U. can pick up where they left off on their advancement cards. If they are unable to bring in their card, we'll take care of it, the first day.

Classes will take place in the Byrom Gym. Students will meet outside the gym in the breezeway, right after school. This is also where students can be picked up, at 3:30pm.

SUMMER CAMPS are just around the corner, contact prophezycamps@gmail.com for information.

WE LOOK FORWARD TO SEEING EVERYONE!
